

# PowerSchool – Parent Single Sign-on

The site address is: <http://powerschool.sd74.org>

Each parent can have his or her own login account – using the same student information for each student that is provided by the school (Student Name, Access ID, and Access Password)

1. Create an account by clicking the **Create Account** button
2. Create Parent Account
  - A. Parent's First Name
  - B. Parent's Last Name
  - C. Parent's Email Address
  - D. Parent's Desired Username
  - E. Parent's Desired Password
3. Link Students to Account
  - A. For each student enter (information provided by the school)
    - a. Student Name
    - b. Access ID
    - c. Access Password
    - d. Relationship – your relationship to your child
4. Click the **Enter** button

If successful – login window appears
